### Recently published work

ABDOU, M., SCHÄFER, J., COBELO-GARCÍA A., NEIRA P., PETIT J.C.J., AUGER D., CHIFFOLEAU J.-F., BLANC, G. (2016). Past and present platinum contamination of a major European fluvial-estuarine system: insights from river sediments and estuarine oysters. *Marine Chemistry in press*.  
<http://dx.doi.org/10.1016/j.marchem.2016.01.006>

### Work in progress

- Platinum in the Arctic Ocean
- Platinum in Mediterranean sites (water-sediment-mussels; historical record)
- Tellurium in coastal waters and particles
